

YOUR PROFESSIONAL RACE TEST

Guaranteed limited number of starters

You can rely on our race tests. We offer you optimal test conditions and an environment with only professional teams and drivers and with a strictly limited number of vehicles.

Street sports cars and entry-level racing cars are not permitted.

The format of our Race Tests is based on the Open Pitlane principle unless stated otherwise.

Our Services

- + Price for participation in the entire event (one or more days, depending on the date)
- + Timekeeping included
- + Exclusively professional motorsport teams and racing drivers with experience and racing licence
- + Exclusively international top circuits
- + Safety package included
